News 6 new results for EPA

EPA Launches \$1.2-Million "Asthma Awareness" Program

The New American

Through a series of training and awareness programs, the Environmental Protection Agency (EPA) is embarking on a \$1.2-million expedition to offer "asthma-friendly homes" training and outreach programs to curb exposure to indoor contaminants. Focusing ...

EPA invests \$30 million to reduce diesel pollution

Natural Resources Defense Council (blog)

Last week EPA awarded \$30 million in funding to diesel clean-up projects across the nation through the Diesel Emission Reduction Act (DERA). The program has invested in more than 500 diesel clean-up projects since it began in 2008, reducing hundreds of ...

Questionable Science Behind EPA Fracking Attacks

U.S. News & World Report (blog)

The U.S. Environmental Protection Agency announced recently that the latest test results from groundwater in the Pavillion, Wyo. area are "generally consistent" with test results from late last year that showed possible contamination from hydraulic ...

EPA: PCBs not likely to hurt shoreline predators

Anderson Independent Mail

PICKENS — Predators foraging on the fish, spiders and earthworms living in the polluted floodplain of Twelve Mile Creek are not likely to get sick, according to a federal report issued this week. The study was the first of its kind for the area in ...

Arizona gets \$28M from EPA for water issues

Bizjournals.com

The money is used to help agencies issue bonds, thereby increasing the amount of money available for projects. The clean water fund has received \$240 million from the EPA, which through the bond market reached \$1.4 billion. The drinking water fund has ...

EPA to Speed up Regulation after US Election

Helicopter Association International

No matter who wins the White House, Election Day is likely to unleash a flurry of regulatory action within the Environmental Protection Agency (EPA). But if Mitt Romney wins, the stakes will be particularly high as the EPA seeks to approve several ...
